ProPortal Guide for learners

Once logged in to ProPortal from this link : https://proportal.rnngroup You will be able to grant or deny access to your ProPortal Account by clicking on your name in the top right hand corner of the screen and selecting User Account, which will bring up the screen below.

Account Details

Account Details

Permission Groups

Username:	chasdell
Name:	Colin Hasdell
Email:	chasdell@rnngroup.ac.uk
Last Login Time:	26/09/2024 09:30:02

Account Restriction

☑ Allow other accounts to view your data (e.g. Parent / Employer):

Account Restriction- Important

Please note that if you un-tick the box to allow other accounts to view your data, you may also restrict your own access to external data sources. Please be aware of this before removing the tick from this box.

You will receive an email from our data protection team : parentportalapp@rnngroup.ac.uk which you will need to reply to in order for your permission to be granted to your parent / carer, without this consent from yourself, they will not be able to view your progress with the college.
