

Construction

Apprenticeship in Bricklaying

Campus: North Notts College - Worksop Campus

Code: W21ST02

Level: 2

About This Course

A career in the construction industry is like no other, and demand for bricklayers has never been higher.

As a bricklayer you will lay bricks, blocks and other types of building components in mortar to construct and repair walls, foundations, partitions, arches and other structures e.g. chimney stacks. You may also work on refurbishment and restoration projects.

What Will I Study?

You will study a range of topics including:

- Health and safety
- Customer service
- Research on building types
- Energy efficiency
- Use of materials
- Alternative construction techniques
- Radial and battered brickwork
- Feature and reinforced brickwork
- Fireplaces and chimneys
- Preparation of materials
- Safe working
- Maintaining an effective working area
- Masonry structures
- Block laying
- Cavity walling
- Positive and mature attitude

- A focus on quality
- Effective communication

Why Study Here?

- You will work with employers to gain hands-on experience in your industry and earn a salary while you learn
- You will learn from our industry-experienced tutors
- You will be taught in purpose-built, industry-standard facilities
- You will learn new skills, knowledge and behaviours and be able to transfer these skills
- You will have access to a highly qualified functional skills team
- You will have access to all College facilities and be issued with a student card

Entry Requirements

- You would normally be expected to have completed a Level 1 qualification in brick
- Other relevant experience and qualifications will be considered on an individual basis
- You will also undertake initial diagnostic tests and interview before starting the course

How To Apply

You can apply using our online application form and clicking the **Apply** button at the top of this page.
